

70%

of student-athletes
regret not being able to
study abroad due to their
athletic commitments.

That's about to change.

Pledge to L.E.A.D. by 2020

Join the **L.E.A.D.** campaign - Leveraging Education Abroad for Development - by pledging 10% of student-athletes and athletic staff at your institution will participate in an abroad program by 2020.

Here's **HOW**...

Individual Programs

Global Players (GP) programs are designed for collegiate student-athletes, coaches, and athletic administrators. Let your sport be your passport by traveling the world, training with international teams, building your resume, and gaining global experience. #playtheglobe

Support Team

Since Global Players started the movement in 2008, institutions all over the country are leveraging education abroad for development. We care deeply about student-athletes getting access and exposure to international people, places, and practices. Let's join forces and L.E.A.D. student-athletes into the global future so they are not left behind.

PLEDGE to L.E.A.D.

L.E.A.D. SCHOLARSHIP

For every 12 student-athletes and staff your institution sends abroad on Global Players' programs, we will donate a \$2500 scholarship.
